EasyTech Solutions - Terms and Conditions

1. **Contract**
   EasyTech Solutions is engaged in providing consultancy and allied services in information technology to its clients, including software development, design, and creative works, whether copyrightable/patentable or not (hereinafter referred to as "Product" or "Products").

   The Client ([Insert Client Name] through its authorized representative [Insert Representative Name]) has approached EasyTech Solutions for purchasing services/products.

   This agreement outlines the terms agreed upon between the parties.

2. **Acceptance of Terms and Conditions**
   The Client's approval for work to commence constitutes a contractual agreement with EasyTech Solutions. Acceptance can be established by:

   - Email confirmation of the quote with the document attached.

   - A signed quote document.

   - Approval to commence work.

   - Payment of an advance, indicating acceptance of terms and conditions.

3. **Definitions**
   The agreement includes various terms like "Agile Engagement Model," "Authorized Representative," "Base Product," "Billable Hours," "Client Content," "Project Completion," "Exclusive Rights," and others, which govern the engagement and define the responsibilities of both parties.

4. **Usage of EasyTech Solutions' Services/Products**
   The Client agrees not to use the services/products delivered for any harmful, illegal, or unethical business purposes. The Client is fully responsible for the content distributed or published through their platform, ensuring it complies with applicable laws.

5. **Quotations**
   Quotations provided are valid for one month unless stated otherwise. Any changes requested after the project begins will require new quotes and may affect timelines.

6. **Time Estimates**
   Project timelines are based on the agreed scope. Changes to scope may lead to revised timelines.

7. **Ownership of Products**
   The Client owns exclusive rights to use the products on specified domains as agreed. EasyTech Solutions retains rights to reusable components unless otherwise stated.

8. **Payment Terms**

   - Payment schedules will align with project milestones.

- o Delayed payments may result in penalties or project suspension.
    - o All payments are non-refundable after project completion unless explicitly agreed.

9. **Cancellation**
   Either party may cancel the project with terms for refunds or liabilities as agreed upon in writing.

10. **Confidentiality and Non-Disclosure**
    Both parties agree to maintain the confidentiality of shared information. The client's data and materials remain their property, and EasyTech Solutions ensures its protection.

11. **Dependencies on Third Parties**
    EasyTech Solutions is not liable for delays caused by third-party dependencies such as hosting, payment gateways, or APIs.

12. **Examples of Work**
    The Client authorizes EasyTech Solutions to include the project details in its portfolio unless explicitly restricted in writing.

13. **Mutual Non-Solicitation of Employees**
    Both parties agree not to solicit or hire employees from each other for five years from the agreement's termination.

14. **Copyright and Intellectual Property Rights**
    The Client retains ownership of "Work Made for Hire" solutions. EasyTech Solutions retains rights to any reusable frameworks or modules unless explicitly agreed.

15. **General Terms**

- EasyTech Solutions is not liable for any indirect or punitive damages arising from errors or omissions.

- Errors found post-delivery will be corrected if within the agreed warranty period.

- Modifications to this agreement require mutual written consent.
